Ripustettavia koristeita kevääseen

Nämä ripustettavat koristeet on leikattu Vivi Gade Design-paperista, kaavan avulla. Yksityiskohdat on tehty sirottelemalla kimalletta märän liiman päälle.

01 Print and cut out the templates which are available as separate PDF files for this idea. Copy the templates onto design paper and cut out.

02 Eggs with glitter in the middle: Use the template for the egg. (A TIP: The template for the egg can be used in two ways; as a full shape and as an outline with a hole in the middle). Cut an egg from design paper. Place the template on top and apply glue over the hole. Remove the template and sprinkle

03 Lightly shake the egg to remove excess glitter.

04 Score the cut-out feather down the middle. Apply glue at the end and sprinkle glitter into the wet glue.
