## Maalaa ja piirrä paperimassalle

Paperimassatuotteiden koristeluun sopii erityisen hyvin Plus Color askartelumaali, jolla on erinomainen peittävyys. Lisää Plus Color askartelumaalia siveltimellä ja tee pieniä yksityiskohtia Plus Color maalitusseilla.

01

Paint the papier-mâché product with Plus Color craft paint which has excellent opacity. Very light colours such as white and yellow may require an additional coat because the surface of the papier-mâché is absorbent and dark. Leave to dry.

02

Use Plus Color markers for drawing on the completely dry surface. To use pump action paint markers, gently push the drawing tip up and down a couple of times to make the ink flow to the tip and the marker is ready for use. Shake the marker as you go along for a consistent colour. Leave to dry.
