**1.**

Apply A-Color Glass Paint to a piece of hard foil.

**2.**

Mix the colours lightly with the end of a brush handle.

**3.**

Grease the glass plate with cooking oil.

**4.**

Put the glass plate on top of the piece of hard foil with the lightly mixed colours. When removing the glass plate, the colours stick.

**5.**

Sprinkle silver glitter onto the wet paint. Let the glass plate dry and it is now ready for hanging.
