**1.**

Cut the various pieces of paper and card to size; all the same length as the blank card but always gradually narrower in width. Attach with double-sided adhesive tape.

**2.**

Attach double-sided adhesive tape to the back of the ribbon.

**3.**

Adjust and attach the ribbon to the width of the greeting card. Cut off excess ribbon.

**4.**

Draw "speed marks" on the large star and attach the football brads.

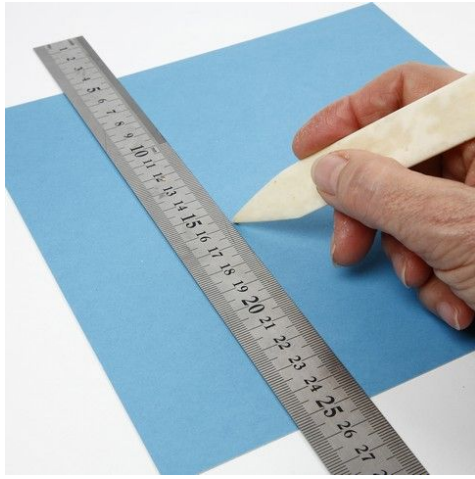

**5.**

Attach the star onto the greeting card using 3D foam pads.

**6.**

Use hole punch pliers for making a hole through both layers of the greeting card. Tie a cotton yarn bow through the hole.

**7.**

Menu card: cut a 21 x 21cm piece of card from the Color Bar series. Use a bone folder or a blunt needle to score the card into three equal parts (3 x 7cm).

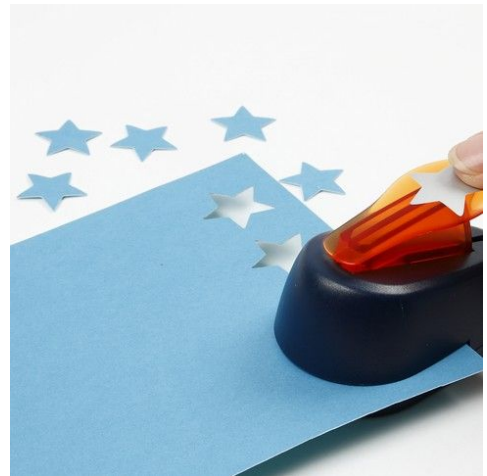

**8.**

Cut three pieces of card/paper slightly smaller than 7 x 21cm and attach these to each of the three wings using double-sided adhesive tape.

**9.**

Print a menu and attach it to the middle wing. Attach the football ribbon across the bottom of the middle wing.

**10.**

Punch out small stars using a lever punch.

**11.**

Attach the stars with 3D foam pads.

**12.**

Place cards: use the large white star as a template and cut out a slightly bigger star from the dotted paper. Glue these together and attach a football brad. Write text with a calligraphy marker and attach the place card to the glass using a mini clothes peg.
