1.

Print the template, which is available as a separate PDF file for this idea. Place the transparent sheet of hard foil on top of the template and trace all the lines using black Fun & Fancy paint and leave it to dry. Now use luminescent Fun & Fancy paint for colouring between the black lines. Add a thick layer and leave it to dry.

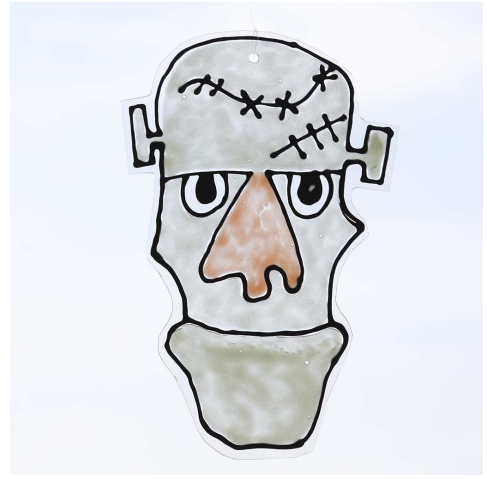

2.

Cut out the finished masks. Make a hole at the top using revolving punch pliers and attach a piece of fishing line for hanging.
