Count a width of five squares on the checkered design paper. Cut along the entire length of the piece of design paper. Where each square meets, make a pleat which goes across the width of the design paper.

### 2.

Assemble this pleated piece of design paper with double-sided adhesive tape and place around the vase as a waist band.

### **3.**

Cut a piece of natural hemp. Thread a metal heart onto the piece of natural hemp through the hole at the top of the heart. Tie the string with the heart around the pleated waist band.
