1

To make a flower from wide paper star strips (25 mm), cut four 28 cm pieces. To make a flower from narrow paper star strips (15 mm), cut four 22 cm pieces.

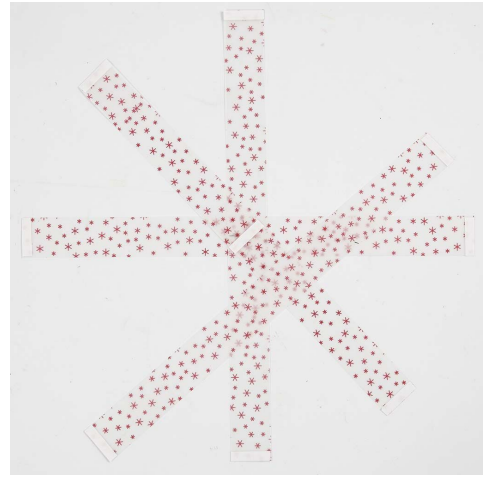

2

Attach double-sided adhesive tape to the sides and the middle of each paper star strip.

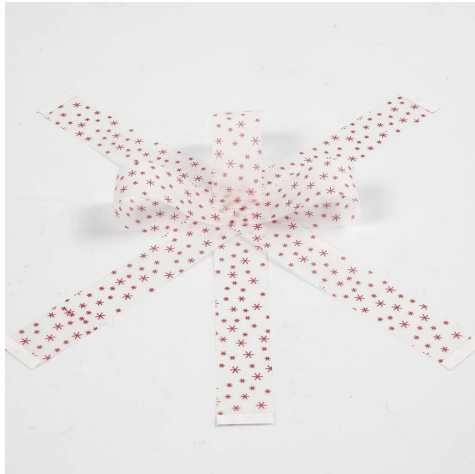

3

Attach two of the four strips to each other in the middle and perpendicularly as illustrated.

4

Repeat the process described in step 3 with the remaining two strips and place them on top of the others arranged at 45°.

5

Attach all the paper star strip ends onto the middle, one at the time.

6

Decorate the finished flower with a self-adhesive rosette in the middle and decorate the rosette further with a self-adhesive rhinestone in the middle. Attach a piece of gold thread for hanging.
